INDEPENDENT AUDITOR'S REPORT

Members of the Board
Senior Support Services

I have audited the accompanying financial statements of Senior Support Services, and Senior Studios, LLC (nonprofit organizations), which comprise the consolidated statement of financial position as of December 31, 2014, and the related consolidated statement of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the consolidated financial position of Senior Support Services, and Senior Studios, LLC as of December 31, 2014, and the changes in its consolidated net assets and its consolidated cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

**SENIOR SUPPORT SERVICES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**

NOTE A—NATURE OF ORGANIZATIONS AND ACTIVITIES

Senior Support Services (Senior Support) was incorporated in 1979 as a not for profit corporation in the State of Colorado. Senior Support is a not-for-profit corporation under Section 501(c)(3) of the Internal Revenue Code and contributions to it are tax deductible within the limitations as prescribed by the code. Senior Studios, LLC (Studios) was formed as a Limited Liability Company in 2007. Senior Support is the only member of Senior Studios. For this reason Senior Studios is a disregarded entity and considered a branch or division of Senior Support for tax purposes.

The mission of Senior Support Services is to make each day better and safer for Denver's low-income and homeless seniors by providing the resources and support they need to lead more self-sufficient and fulfilling lives.

The program and support activities of Senior Support Services include:

Program Services

Day Center-A program to assist seniors by providing to them services and resources, including meals and help obtaining government benefits.

Housing and Energy Assistance-A program to help seniors find and keep adequate housing and provide assistance in paying energy bills.

Support Services

General and Administrative-The process of managing day to day activities and providing overall direction of Senior Support Services' affairs.

Fund Raising-Activities to secure increased public support for Senior Support Services.

The mission of Senior Studios is to lease and manage a housing complex that provides studio apartments to low income seniors on a subsidized rental basis. The lease expired at the end of April 2014 and the organization ceased operations related to the building.

NOTE B: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Organization have been prepared on the accrual basis of accounting, and accordingly reflect all significant receivables, payables, and other liabilities.

**SENIOR SUPPORT SERVICES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**

NOTE B: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Basis of Presentation

In accordance with ASC Topic 958-210, the Organization is required to report information regarding its financial position and activities according to three classes of net assets based on externally (donor) imposed restrictions: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor restricted contributions are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Unrestricted net assets - Net assets that are not subject to donor-imposed restrictions.

Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Organization and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restriction. The Organization had temporarily restricted net assets of \$2,674 and \$0 at December 31, 2014 and 2013 respectively.

Permanently restricted net assets - Net assets subject to donor-imposed stipulations that they be maintained permanently by the Organization. The Organization had no permanently restricted net assets at December 31, 2014 and 2013.

Revenue Recognition

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. All donor-restricted contributions are reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Contributions whose restrictions are met in the same year are reported as unrestricted support.

NOTE B: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Cash and Cash Equivalents

For purposes of the statement of cash flows, the organization considers all highly liquid debt instruments with a maturity of less than three months to be cash equivalents. As of December 31, 2014 cash consisted solely of currency on hand and demand deposits.

Property and Equipment

Property and equipment is recorded at the original cost or, if donated, the fair market value at the date of the donation. The Organization capitalizes items with an original value greater than \$500 and a life of more than one year. Depreciation is calculated using the straight-line method over the estimated useful lives of the assets. The cost of repairs and maintenance that do not extend the useful life of the assets are charged to expense as incurred

Income Taxes

The Organization has received determination from the Internal Revenue Service that it qualifies as a public charity under the requirements of Section 501 (C)(3) of the Internal Revenue Code. In accordance with the Internal Revenue Code, the Organization is taxed solely on revenue not related to their exempt function (unrelated business income). The Organization currently has no unrelated business income. Accordingly, no provision has been made for income taxes.

The Organization's Forms 990, Return of Organization Exempt from Income Tax, for the years ending 2012, 2013, and 2014 are subject to examination by the IRS, generally for three years after they were filed.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Comparative Financial Statements

The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principals generally accepted in the United States of America. Accordingly, such information should be read in

The Organization receives donations of services, food and other items from the community. Contributed services requiring specialized skills that would otherwise need to be purchased are reflected as contributions and expense in the accompanying financial statements. Contributions that do not meet the necessary criteria are not recorded as contributions and expense in the accompanying financial statements.

Loan Costs

Loan costs of \$3,866 associated with the refinancing of Notes Payable in 2012 are being amortized over the terms of the loan. Amortization expense amounted to \$733 in 2014 and \$733 in 2013 respectively.

The Organization did not grant variance power to the Foundation and, accordingly, the amount is recorded as a beneficial interest in assets held by others, in accordance with ASC Topic 958-210. The cumulative amounts of this fund recognized in the Statement of Activities were \$159,885 and \$154,124 as of December 31, 2014 and 2013 respectively.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE H-SENIOR STUDIOS

Senior Studios LLC was formed in November 2007. Senior Support Services is the sole member of the LLC. The LLC was formed to provide affordable studio apartments to low income seniors. Qualifying seniors will pay a monthly rental equivalent to a fixed percentage of their monthly income. Additional funding sources will be raised to pay the incremental costs of the apartments.

In 2008 the LLC entered into a lease agreement to lease space containing 18 studio apartments for a period of 5 years. The terms of the lease require the LLC to pay for all tenant improvements prior to occupancy. Upon completion of these improvements, the term of the lease begins. The LLC paid no rent for the first 4 years of the lease and made monthly lease payments of \$6,300 in 2014, the fifth year. Occupancy began in May 2009.

Tenant improvements were completed in 2009 at a total cost of \$563,626. Based on the estimated market rental value of the property, \$302,400 was initially capitalized as prepaid rent. This amount was calculated by taking the \$6,300 monthly rental payments in year 5 of the lease multiplied times the 48 month period when no rent is to be paid. The balance of \$261,226 was capitalized as Leasehold Improvements. From 2009 through 2011 this amount was depreciated over a period of 15 years, the original term of the lease plus two 5 year option periods which the organization intended to exercise at that time. However, in July 2013, the organization was notified that a significant source of funding related to Senior Studios would no longer be available. Accordingly, the remaining unamortized balance of Leasehold Improvements is being depreciated over 28 months starting January 1, 2012, which is the initial term of the lease.

The lease expired at the end of April, 2014 at which time Senior Studios ceased all management operations related to the studio apartments.

NOTE I-SUBSEQUENT EVENTS

Management evaluated subsequent events through July 15, 2015, the date the financial statements were available to be issued.

There are no subsequent events to be reported through July 15, 2015.
