

Senior Support Services

Annual Report -- Year 2020

Senior Support Services — Denver’s only nonprofit specializing in services for hungry and homeless elders — has been in business since 1976, helping an ever-increasing number of clients aged 60 and over lead more self-sufficient and fulfilling lives. We offer a myriad of services including hot meals, clothing, transportation, and help obtaining government benefits and affordable housing.

Pre-COVID-19, up to 250 clients per day were free to shelter and socialize — from 7am to 7pm — at our 4,000-square-foot center. With the arrival of the pandemic, we struggled to find a way to continue to serve our clients but also keep them and our staff healthy and safe. As clients were literally rubbing elbows, we made the difficult decision to no longer allow congregating inside our facility. Instead, clients cued up outside and were able to get services and case management through open windows.

Clients got one hot meal and one sack lunch passed through a window between 11am and 1pm every weekday. At another window, clients got hygiene items, clothing, mail and other necessities. At additional stations, clients were able to obtain our trademark comprehensive case management services. On cold days, they were able to come inside one at a time to meet with a case manager.

Mission

Our mission is to make each day better and safer for Denver’s low-income and homeless seniors by providing the resources and support they need to lead more self-sufficient and fulfilling lives.

Programs

We operate the only day center catering to the needs of the hungry and homeless seniors of the Denver area.
